Subject: House Bill 6283

Dear Chairperson,

House Bill 6283, which changes the municipal land trust name to the Burrillville Land Conservancy and to reactivate the government controlled land trust. The bill is up for a hearing on Tuesday, May 6th at the Rise of the House in Room 101 of the Rhode Island State House.

We respectfully urge the General Assembly to hold the bill for further study. Rhode Island is a national leader in community-led land conservation — and the Burrillville Land Trust is part of that success. It deserves recognition, not duplication

I appreciate your consideration.
