Dear Chairman Casey and Members of the Committee,

NeighborWorks Blackstone River Valley is writing to oppose H7564.

As I stated last year when I testified, it is very important that the bill sponsors work with the non-profit development community to revise the Bill to assure that RI's housing sector, both nonprofit and for-profit, is working towards greater accessibility as we all produce much needed housing. It is also important to analyze and balance the greater costs that the bill would impose on nonprofits to the detriment of the affordable housing sector.
