Subject: One Neighborhood Builders Oppose H7564

You don't often get email from yoder@onenb.org. [Learn why this is important](#)

Dear Chairman Casey and members of the Committee,

We at One Neighborhood Builders are writing to voice our strong opposition to H7564. The bill sponsor should work with the nonprofit development community to revise the bill in such a way that it doesn't negatively impact the development of all affordable housing, while still providing greater accessibility to Rhode Islanders with disabilities.

Thank you,
