My name is Barry McGoff and I live in Middletown. I've been doing STRs for 12/years and have never had even one problem . I am a veteran and just turned 80 years old, without the income from my home I'm not sure I would've been able to make ends meet. My home is not a business, I only rent for 2 months and not every day is occupied. This constant relentless campaign targeting STRs is stressful and in my opinion H7657 is a misguided continuation by trying to put into law that people's homes are a business, they emphatically not ! I oppose this bill as I feel that it's misguided and will open Pandoras Box of problems. Thank you !!
