Subject: Oppose House Bill H7657

You don't often get email from terrapi@llc@gmail.com. [Learn why this is important](#)

Good Morning RI Legislature Representatives,

My name is Charles Ruggieri, and I live at 8 Kingston Lane, Narragansett, RI. I am writing to oppose H7657, another example of government overreach. This bill imposes excessive and burdensome regulations on home owners in RI, causing detrimental harm to the economy, and our fragile housing market.

Please do the right thing for Rhode Islanders, and oppose Bill H7657.

Thank You!

Chuck
