

House Bill No. 5324

Dear Committee Clerk

I am writing to you to cast my vote AGAINST Bill No. 5324.

The existing Three Tier System in Rhode Island has worked effectively for decades and has successfully supported hundreds of businesses (Distributors & Retail Liquor Stores) in Rhode Island all of whom employ thousands of employees throughout the State.

An existing structure is in place to successfully support all Distilleries, Breweries & Vineyards in Rhode Island.

Cheers!
