Subject: H5233 - Renaming Bridges for SK Medal of Honor Recipients

I would like to register my personal support for H5233. As part of South Kingstown's celebration of its 300th Anniversary this year, the town has given recognition to its 3 Medal of Honor recipients. This bill would rename 3 local bridges in their honor as part of that recognition. I urge its passage.

Thank you for your consideration.

Thank you,

Michael K. Marran,

Vice-President

Town Council

Town of South Kingstown RI
