

We the Comrades of LeClair Kozlik Logan Bassett VFW Post 6342 of North Smithfield, RI are in opposition of changing the name of Victory Day (formerly VJ Day) to Peace Remembering Day.

VJ Day was significant to the aftermath of WWII. Japan's surrender on 14 August 1945, broke the back of the "Axis" and brought an end to the conflict and peace to our country and Allies.

Howard F. McMillan
Post Commander VFW 6342
