Re: Letter of Support for H7229: An Act Relating To Motor And Other Vehicles -- Registration Of Vehicles

Dear Representative Alzate:

I am pleased to submit this letter of support for H7229: An Act Relating To Motor And Other Vehicles -- Registration Of Vehicles. This bill would create a special charity license plate recognizing Real Access Motivates Progress, a 501(c)(3).

Founded in 2019, Real Access Motivates Progress (RAMP), works to champion the needs of the disability community here in Rhode Island. They work with small business owners to ensure that their space is accessible to those using mobility devices, partner with cities and towns to create more accessible seating in public spaces, and help unite people with disabilities with those who are temporarily non-disabled.

This license plate will not only commemorate their years of service to the state, but will serve as a helpful reminder to drivers across the country that Rhode Island is a place where all people can live, work, shop, and recreate. For these reasons, I urge you to vote this bill favorably out of committee.

Sincerely,

A handwritten signature in cursive script that reads "Sabina Matos".

Sabina Matos

Rhode Island Lieutenant Governor
