

Good morning.. I would like to state my opposition to Bill 7781at this afternoon's Meeting.

I am hard pressed to understand the need to change the name of this Holiday - leave as is. I think all the WW2 Veterans who fought all over Europe and Japan.. Do not think we owe them this change - though we are now ALLIES, we weren't in 1945!!!

I believe all our WW2 Veterans that have passed, will rise up and revolt !!! I also am concerned about how quickly we seem to forget the Wars that have been fought for our FREEDOM - at the expense of our Veterans - I wonder if the Vietnam Veterans will be, one day, in the the nothing too distant future, will Natl Vietnam Day no longer be an event we Veterans will still have

Thank you for allowing me to address, in writing, my feelings..
