RE: H.6191

To name the fishing pier at Rocky Point State Park in Warwick after the former RIDEM Deputy Director, Larry Mouradjian

TO: Members of the House Committee On Special Legislation

Dear Representatives,

The Rhode Island Saltwater Anglers Association (RISAA) represents over 7,500 recreational anglers and 28 affiliate clubs and we submit this letter in support of H.6191 that would formally name the fishing pier at Rocky Point State Park in honor of Larry Mouradjian!

The leaders of RISAA know Larry Mouradjian well, having had the honor of working with him on many projects over the years. He has always been considerate and respectful to the saltwater recreational fishing community. Any time we asked for help, he would always immediately respond, do all that he could to resolve the problem, or lend support in projects.

We respectfully urge the House Committee on Special Legislation to support H.6191!

Sincerely,

A handwritten signature in black ink that reads "Stephen J. Medeiros".
