

Good Morning:

The Rhode Island School Superintendents Association (RISSA) is in favor of H-5305.

This bill mandates that on each primary for election of national convention delegates and elections for presidential preference primaries, that all public elementary and secondary schools be closed.

Currently public schools close for state primary elections. Given school security protocols, parking and access to buildings, it makes sense that schools be closed for presidential primaries as well.

Sincerely,

Timothy P. Ryan Ph.D.
