**Subject:** Oppose 5137

Dear Honorable Chair Shanley and esteemed members of the House Committee on State Government and Elections:

My name is Renu Englehart and I am a member of the town council for East Greenwich:

I am writing to **oppose 5137**; There is no reason to pass this bill as it is part of the process of registering to vote to verify the status of the voter. The town of East Greenwich is staffed by professional persons who are also neighbors and friends. This bill is making a vague accusation that non-residents are voting with no proof. It is also calling into question professional staff. It is pointless and misinformed. It is targeting a certain demographic of persons. Voter fraud is a federal crime and although I am aware that this current presidential administration does not believe that laws apply to them, I do not believe nor am I aware, that there is any large scale attempt to commit voter fraud in RI.

Renu Englehart  
East Greenwich
