House State Government and Elections Committee

RE: Support - H-5515

Dear Chairman Shanley,

My name is Barbara Hunger and I am a resident of South Providence. I am writing to express my strong support of H-5515.

My neighbors are working people, they live busy lives caring for children, grandchildren. They go to school and volunteer for good causes. I don't understand why the 30 day rule is in place. I am in support of H-5515 because all barriers to voting in this country should be removed.

I hope the House State Government and Elections Committee will pass H-5515.

Thank you for your consideration.
