House State Government and Elections Committee

RE: Support - H-5515

Dear Chairman Shanley,

My name is Dr. Caroline Hagan Webb, and I am a resident of Narragansett. I am writing to express my strong support of H-5515.

I am in support of H-5515 because it will help disabled Rhode Islanders like me to have a voice and vote in our elections. When you are living with chronic illness, even simple tasks like filling out paperwork or remembering deadlines can be a challenge. The fewer hurdles we put between people and their ability to vote, the more it will open doors for those of us who are already struggling just to participate and be heard. Please remove the 30 day registration requirement so that everyone can have a voice.

I hope the House State Government and Elections Committee will pass H-5515.

Thank you for your consideration.
