House State Government and Elections Committee

RE: Support - H-5515

Dear Chairman Shanley,

My name is Cindy Capra and I am a resident of *Barrington, RI*. I am writing to express my strong support of H-5515.

I am in support of H-5515 because it is critical that we move forward to remove remaining barriers to voting access in RI.

This resolution would put the ballot question before voters at the next general election in November 2026, asking them to eliminate the 30-day voter registration deadline from the Rhode Island Constitution. Only then can the General Assembly enact legislation like same-day voter registration. H-15515 is just one step bringing RI closer to pro-voter reforms we must have at this critical time in history.

I urge the House State Government and Elections Committee to pass H-5515.

Thank you for your consideration.
