The Honorable Evan P. Shanley  
House State Government and Elections Committee

RE: Support - H-5515

Dear Chairman Shanley,

I am writing to express my strong support of H-5515 because the right to vote is fundamental in our democracy and there should be no arbitrary, meaningless barriers to this right, including the current requirement of registering 30 days before the vote, which excludes people who have just moved to a new community.

I hope the House State Government and Elections Committee will pass H-5515.

Thank you for your consideration,  
George Hasapidis
