House State Government and Elections Committee
Testimony in support of H-5515

I'm writing in support of H-5515, the Let RI Vote for Same Day Registration resolution. Getting citizens of RI to vote is important and removing barriers that prevent them from doing so is vital. "I just moved here a year ago and I forgot to register" or, "I meant to do it but totally forgot" seem like flimsy excuses to those of us who couldn't wait to be able to vote, but I've heard them over the years and would rather get those folks involved.
