Subject: Vote YES on H-5515 Let RI Vote for Same Day Registration

Dear Chairman Shanley and Members of the House State Government and Elections Committee ,

My name is Kristen Chambers and I am a resident of Richmond. I am writing in strong support of H-5515, sponsored by Rep. Alzate.

The H-5515 resolution will benefit Rhode Islanders by leading to legislation which would remove the 30-day waiting period after registering to vote. This would result in easier voter access and greater voter turnout, and would bring RI into the 21st century by eliminating an outdated system.

I urge the House State Government and Elections Committee to pass H-5515 so it can be sent to the full RI House of Representatives for a vote. Thank you for your consideration.

Sincerely,

Kristen P. Chambers
