The Honorable Evan P. Shanley
House State Government and Elections Committee
RE: Support - H-5515

Dear Chairman Shanley,

My name is Kristin Ells, and I am a resident of the village of Ashaway in the town of Hopkinton. I am writing to express my strong support of H-5515.

I am in support of H-5515 because like many other people I know, available transportation in most of our state, especially the more rural areas, is nearly non-existent unless one has their own car, so getting to the town hall during their sometimes limited hours can be difficult. Same day registration could eliminate those restrictions and barriers because more friends and neighbors are available on voting days than on a random day 30 or more days in advance.

I hope the House State Government and Elections Committee will pass H-5515.
Thank you for your consideration.

Kristin Ells
Ashaway, RI
