Subject: Support H5515

Honorable Evan P. Shanley - My name is Linda A Ohsberg; I live at 70 Saw Mill Drive, North Kingstown, RI, 02852. I am writing in support of H5515, "Let RI Vote for Same Day Registration" resolution. Our 30 day voter registration deadline is the longest in the nation. Eliminating this barrier to voting will result in higher voter turnout as shown in states that have same day voter registration. This is the first step in making voting more accessible in RI. Greater representation through the voting process is the ultimate goal and will make voting a fairer process.
