House State Government and Elections Committee

RE: Support - H-5515

Dear Chairman Shanley,

My name is Maureen Mooney and I am a resident of Newport. I am writing to express my strong support of H-5515.

I am in support of H-5515 because there are many reason why somebody may need to register on short notice - illness in the family or themselves, moving to a new home, job pressures. We already have this for presidential elections and it has been used in the last presidential election. I would like to see this for all elections.

I hope the House State Government and Elections Committee will pass H-5515.

Thank you for your consideration.

Maureen Mooney
