RE: Support - H-5515

Dear Chairman Shanley,

My name is Susan Aitcheson and I am a resident of East Greenwich. I am writing to express my strong support of H-5515.

I am in support of H-5515 because this is an important first step for getting same day voter registration in place. This is a right in most New England states and is allowed in federal elections. This needs to be on the ballot. We want all eligible voters to be voting. Let's reduce barriers.

I hope the House State Government and Elections Committee will pass H-5515.

Thank you for your consideration.
