

HB 5711 - Vote Yes

Support Letter

House Committee on State Government & Elections

State House

March 18, 2025

Dear Members of the House Committee on State Government & Elections,

I am writing to express my support for HB 5711, which requires applicants to provide their date of birth (DOB) and ID on all applications for mail ballots and emergency mail ballots. This measure will help ensure that only eligible voters receive mail-in ballots, preventing voter fraud and maintaining the integrity of the election process. I strongly believe that this bill will strengthen our election security and ensure that every vote is legitimate.

Thank you for considering this important bill.

Respectfully,

Pyara Meyer
