

HB 5873 - Vote Yes

Support Letter

House Committee on State Government & Elections

State House

March 18, 2025

Dear Members of the House Committee on State Government & Elections,

I am writing to express my support for HB 5873, which mandates that all applications for mail ballots and emergency ballots include the applicant's date of birth (DOB) and ID. This bill will increase the security of our voting process by confirming the identity of applicants and reducing the possibility of fraudulent activity. Ensuring that only qualified voters receive mail-in ballots is vital for maintaining the credibility of our elections.

Thank you for your attention to this matter.

Respectfully,

Pyara Meyer
