To House Committee on State Government and Elections,

My name is Jason Romblad, an unaffiliated voter from Woonsocket. I am providing my testimony today in opposition to bill H5086.

I do not agree with this bill as I think the two year term is logical in keeping new faces and ideas in our state and local governments. Also, the bill that should really be presented is a bill on term limits for any elected official. Please vote no on this bill.

Thank You.
