Hello Mr. Sepe,

Viewpoint AGAINST Bill # 7382, "Helmet Bill"

I, Albert J. DiMascolo Jr. am writing this Email to the Members of the House Judiciary Committee asking you to OPPOSE Bill # 7382 which would require any operator of a motorcycle, motor scooter or motor-driven cycle to wear a helmet.

I would respectfully ask that all the Members to OPPOSE this bill on the grounds that it is the individual motorcycle operator's choice whether or not to wear a helmet, and not the place of any governmental body to mandate and impede that freedom to choose.

Thank you for your consideration,

Albert J DiMascolo Jr (RIMA, AMA, HOG, OSHOG. PGR, ALR Post 2)
