Good afternoon Sir or Madam,

This email is in regard to House Bill 7382 "Helmet Bill". I am firmly AGAINST this bill. It is the duty for the Government to voice the concerns of The American People , and I am certain this bill was not proposed on behalf of the voices of the biker community. I personally wear a helmet for safety, however I do not believe the government should have a say in this matter.

Regards,

Michael Romano
