

Chairman Shanley and Honorable Committee members,

My name is Daria Phoebe Brashear; I live in the Edgewood section of Cranston. Today I write to you in support of House Bill 7499.

While I believe House Bill 7984 is a superior alternative for an overseen RIDOT audit, I must also note that an audit overseen by the Department of Administration would be better than no audit; If bill 7984 does not move forward, I wish to note my support for bill 7499.

Please support HB7499.

Sincerely,
Daria Phoebe Brashear
