To Whom This May Concern,

Please do not let this act pass. Only registered Rhode Islanders AND US citizens should be allowed to vote in our elections. We must keep the current statutes on the books(30 day state and local residency). Removing them would allow anyone from anywhere to vote in our elections and make the results highly questionable. For example, someone from Connecticut or Massachusetts could vote in their respective states and then cross the border and vote in ours. That is voter fraud. We need to have integrity in our electoral processes or control will be lost in our democracy.

Sincerely Concerned Citizen and Retired Veteran,

Chris Ventura
