Dear Chair Shanley and honorable members:

I support H7303 JOINT RESOLUTION TO APPROVE AND PUBLISH AND SUBMIT TO THE ELECTORS A PROPOSITION OF AMENDMENT TO THE CONSTITUTION -- OF SUFFRAGE.

I believe that we should encourage people to vote. This would help young persons, recent residents and people who move within the state to have a say in their local communities.

Despite the claims of fraudulent voting by certain populations, no widespread fraud has been proven in recent elections in RI. Election fraud is already a federal crime. Our town/city clerks, board of canvassers and election volunteers take their jobs seriously.

The Nat'l Conference of State Legislatures (NCSL) points out that many states allow same-day registration and voting. <https://www.ncsl.org/elections-and-campaigns/same-day-voter-registration>. These states include politically opposite ones like California and Wyoming.

Please support H7303.

Yours respectfully
Renu Englehart
