Dear House State Government and Elections Committee, I am writing to voice SUPPORT for the following bills:  
H7380 - an act that would prohibit Ranked Choice Voting in all public office elections in RI. RCV does NOT truly represent the voters' choice by candidate.

H7783 - it has never made sense to me that a presidential candidate can win the popular vote, but not the presidency.

H7787 - Personally, I'd like to see the early voting period shortened to 10 business days, but I do agree that early voting needs to be done in person.

H7979 - this procedure definitely needs tightening up, especially in nursing homes where candidates go in to "help" residents vote. There should be a bill that prohibits that activity as well.

Respectfully,  
Donna Cambio
