Subject: Support #H7380 & H7451

Dear Government and Elections Committee and Rep. Fascia, I am writing to you to voice my SUPPORT for bill H7380, which would prohibit Ranked Choice Voting in all local, state, and federal elections. In my opinion, ranked choice voting muddies the waters for election results by making the voting more confusing for the average voter.

I also SUPPORT H7451 which would require a RI driver's license, state ID, or the last 4 digits of the voter's SS number as identification on mail ballots. This is plain common sense. Please DO NOT refer this "for further study". It needs to be in place NOW for the 2026 election.

Respectfully yours,

Donna Cambio
