Testimony in OPPOSITION to H-7380: Prohibits the use of ranked choice voting in all local, state and federal public office elections.

Why I OPPOSE this bill:

Hi there,

I believe that Rank Choice Voting would only increase voter turnout and active participation in our democracy. Any attempt to ban what is an objectively popular way to approach voting feels to me like a marked attempt to keep moving our country further, if possible, into an oligarchy rather than a functioning democracy.

Thanks for your time.
