Testimony in OPPOSITION to H-7380: Prohibits the use of ranked choice voting in all local, state and federal public office elections.

Why I OPPOSE this bill:

I am a lifelong RI resident and business owner and I strongly support the option for ranked choice voting in RI. I strongly OPPOSE any efforts to ban a ranked choice voting system. We are a democracy and we deserve more options. Let's be national leaders in updating the way we vote to match the needs of our communities and provide opportunities for new and popular voices in our state and local governments.
