Good morning,

I am writing to you regarding the following RI House bills that will be addressed at the April 16th session:
H7380 - I **support** this bill as Ranked Choice Voting should NEVER be allowed anywhere at anytime. It is an expensive and cumbersome process.

H7451 - I **support** this bill because identification should be required on mail ballots. Otherwise, fraud could take place and jeopardize the integrity of elections.

H8334 - I **oppose** this bill. The subject matter subverts the Help America Vote Act.

Please register my votes for these bills.

Thank you
Mary Lou Sanborn
