

4/13/2026

To House Committee Members,

Greetings,

I fully support these **H7380** which is a BIPARTISAN bill to ban ranked choice voting statewide, to join the 19 states who have banned it statewide. RCV is known as the most costly and wasteful and unreliable system in place for a partisan outcome.

I also fully support **H7451** which is also a BIPARTISAN bill aimed in securing the election process.
