Testimony in OPPOSITION to H-7380: Prohibits the use of ranked choice voting in all local, state and federal public office elections.

Why I OPPOSE this bill:

I support ranked choice voting and strongly believe it should NOT be banned in RI. Ranked choice voting gives voters the ability to vote for the candidate they truly support without worrying about "wasting" a vote on a less popular candidate. By getting to rank multiple candidates, your vote still matters even if your top choice doesn't win. Ranked choice voting should not be banned, but instead should be put in place for RI elections to help give voters the power and options they should have.
