Dear Honorable House Committee Members,

I'm writing for both my husband and myself, residents of Wakefield, in strong support of the House bill H-8334 that will protect Rhode Islanders from the degradation of our Federal hard-won voting rights. We need these protections now, THIS year, to avoid assaults against fair voting laws that are disguised as law and order. Our Constitution is for all of us. Please pass the bill out of committee, as presented, as soon as possible.

Thank you,
Amy Crawford
