My name is Brittany Soto Palmer, and I am a resident of Providence, RI. I am writing to express my strong support of H8334.

I am in support of H8334 because I want to ensure that those who are currently eligible to vote in Rhode Island remain eligible to vote in Rhode Island and we are protecting the right to vote and our democracy. I want future generations of eligible voters to be able to vote, and I want all eligible voters to be offered this fundamental right as Rhode Islanders and as citizens of the United States of America.

I hope the House Committee on State Government and Elections will pass H8334.

Thank you for your consideration.
