Good afternoon,

My name is Jennifer Pipe and I am a resident of Middletown, RI. I am writing to you in strong support of Bill #H-8334. Free and fair elections are a pillar of our democracy, yet the federal government is doing everything in its power to suppress the average citizen's right to vote (including mine, as a married woman who took her husband's last name).

I have been an active voter since I turned 18. I volunteer to work the polls on election days. And I hold sacrosanct the ability of every eligible US citizen to have a voice in not only who our elected officials are, but how they wield power.

I am requesting that the House Committee on State Government and Elections recommends the passage of the bills and urge the full House to pass RI VRA this session.

Thank you for your time and consideration.
