Dear Chairman Shanley,

My name is Justin Jamal Baptista. I am a resident of Providence, Rhode Island. I am writing to express my strong support for H8334.

I support H8334 because American democracy is under attack across the country by a corrupt, destructively inept administration. Every state must do everything it can to protect the voting rights of its citizens INCLUDING Rhode Island. The Voting Rights Act is the protection our state needs. Without it, many Rhode Islanders will be among those disenfranchised by nationwide voter suppression.

I hope the House State Government and Elections Committee give these words consideration and pass H8334 for the good of Rhode Island and its residents who all deserve an equal voice in the voting process.
