Dear Committee Chair Shanley and Committee Members,

My name is Kathleen Odean. I am a Rhode Island voter who lives in North Kingstown. I am writing because I believe passing the RI Voting Rights Act (H-8334) is of the utmost importance. The current administration in DC is intent on diminishing voting rights. Indeed, voting rights have been slowly diminished since the 1965 Voting Rights Act was passed. To me, voting is sacred and should be easily available to all citizens. The RI Voting Rights Act will help ensure that is true and will ward against interference at the polls. This bill is what American democracy should look like. This is what true patriotism looks like. Please support the bill and fight to have it passed by the entire House.

Thank you.

Kathleen Odean, North Kingstown
