Dear Chairman Shanley,

My name is Katherine Goetz and I am a resident of Riverside. I am writing to express my strong support of H8334.

I am in support of H8334 because we should not be solely dependent on federal oversight to protect voting rights. Voting is the backbone of a democracy and all citizens should have fair and unimpeded access to this fundamental right. The constitution gives states primary authority over elections and Rhode island has a responsibility to protect voting rights for its citizens.

I hope the House State Government and Elections Committee will pass H8334.

Thank you for your consideration.
