Dear Committee Chair Shanley and Committee Members,

I, Kenneth E. Pariseau, am writing to express my strong support of the RI Voting Rights Act (H-8334). This bill will protect the voting rights for all Rhode Islanders, clearly support minority rights for all groups, and impose penalties for those interfering in elections. Federal protections have been eroded significantly since the original federal legislation in 1965. The current administration clearly intends to further limit voting. This not a partisan issue, it is an American issue. Please act to protect my rights and the rights of my neighbors and to uphold the Constitution.

Thank you,
Kenneth E. Pariseau
