Dear Committee Chair Shanley and Committee Members,

My name is Lilly and I am a resident of Providence, Rhode Island. I am writing in support of the RI Voting Rights Act (H-8334)

The right to vote is at the heart of our democracy. Each victory for voting rights throughout US history has brought us closer to realizing our ideals of liberty and justice for all, which can only be achieved when each person has a voice. In recent years, however, voting rights have been under attack. I urge you to protect the rights of every Rhode Islander to participate in our democracy and make their voice heard. This should have nothing to do with your political party and everything to do with upholding the Constitution and protecting the rights of your constituents.

Thank you,
Lilly Stolper, Providence RI
