Dear Committee Chair Shanley and Committee Members,

I am Max Bromberg, Exeter RI resident greatly concerned by the practical reduction of our democracy by reducing the access and impact of voters throughout the country. As a bulwark against this national trend, I believe the RI Voting Rights Act (H-8334) will well work to secure the rights of all Rhode Islanders, and impose necessary penalties for election interference. Please act to protect my rights and the democratic culture necessary for our collective, non-violent deliberation.

Thank you,  
Max Bromberg
