RE: Support - H8334

Dear Chairman Shanley,

My name is Susan Aitcheson and I am a resident of East Greenwich. I am writing to express my strong support of H8334.

I am in support of H8334 because State Control of elections needs to be strengthened. It is important that RI protects the rights of all voter minorities and their right to vote. These rights are in danger due to recent DOJ and court actions. The voting act of 1965 has been diminished. This legislation would ensure voting access in other languages and provide remedies for voters who may face threats to their right to vote.

I hope the House State Government and Elections Committee will pass H8334.

Thank you for your consideration.
