Dear Committee Chair Shanley and Committee Members,

I am Tracy Ahmadian and I am writing to express my strong support of the RI Voting Rights Act (H-8334). This bill will protect voting rights for all Rhode Islanders, clearly support minority rights for all groups, and impose penalties for those interfering in elections.

The American citizens voting rights allow us to have elections which reflect who we are in the present moment. I see us valuing free and fair elections and creating open pathways so all Americans, no matter our class or ethnicity, can participate in choosing our leaders.

RI residents have shown they do not allow the federal laws to hinder our beliefs and values. Let's show this country what a community who values the rights of all Americans can do!

I support the RI Voting Rights Act H-8334. I urge you as our representatives to do the same.

Please act to protect my rights and the rights of my neighbors and uphold the Constitution.

Moving forward together,

Tracy Ahmadian
