Chair Shanley and Committee Members,

I'm one of your constituents reaching out voting rights here in Rhode Island.

I want to ask for your support of H-8334, the RI Voting Rights Act. Look, the protections that were put in place in 1965 have been slowly eroded over the decades, and right now the current administration is making it pretty clear they want to keep going in that direction. It's frustrating, and honestly a little scary.

What I love about this bill is that it's straightforward. It protects every Rhode Islander's right to vote, looks out for minority groups, and actually has teeth when it comes to people who try to mess with elections.

This is about making sure all of us, your neighbors, my neighbors, get a fair shot at having our voices heard. So please, vote yes on H-8334. Protect our rights.

Thanks so much for reading this,
